Station Madras, *Dated the* 19th October, 19 37.

From (Name) Diwan Bahadur Dr. B.Sundara Raj, M.A., Ph.D.,
(Designation) Director of Fisheries.

To The Secretary to the Government of Madras,
Development Department.

Sir,

The strength and attendance of the Kirimanjeshwar school on 24th September 1937, when the Assistant Director of Fisheries (Coast) inspected the school, were as follows:-

Standard.	Strength.	Attendance.
I.	17 } 31	17
II.	14 }	13
III.	9	8
IV.	7	6
V.	11	11
	58	55

He states that there are 15 children reading in the I standard whose names are not on the admission register, that the Assistant is thus ~~handling~~ teaching 31 children of the I and

standards whose names are on the rolls and 15 others whose names are not on the rolls, a total of 46 which is against the rules, and that an additional teacher is necessary. The staff consists now of two teachers. The attendance is very satisfactory. When the children awaiting admission are admitted, standard I alone will require a teacher. Standards II and III will then be combined under a second teacher, while the Headmaster will be in charge of the standards IV and V. It is desirable that the third teacher is employed immediately as otherwise the children awaiting admission will have to be ~~xxxxxxxxx~~ sent away. In the circumstances, I request that you will be so good as to obtain the sanction of Government for the immediate employment of an additional teacher of the Higher elementary grade in the Kirimanjeshwar school.
